

Favorite Disney Characters and World Class Illusions into a one-of-a-kind production in Romania!

Favorite Disney characters and special moments of magic from the Disney world will come for the first time in Bucharest in a performance that will excite and delight children of all ages. Feld Entertainment, the producers of Disney On Ice, brings audiences into a world where Disney magic takes on a whole new meaning, in one of the largest productions, Mickey's Magic Show. The event is organized by Amphitriton and will take place at Sala Palatului, which will host the Disney performances between 13th and 17th February 2013.

Mickey's Magic Show features the special magic from legendary Disney films, performed right before the public's eyes: Cinderella's rags turn into a beautiful ball gown in a split second; the spectacular levitation of Aladdin's Princess Jasmine; and the enchanted dancing brooms of Fantasia. The Master Magician himself – Mickey Mouse – performs astonishing illusions along with Cinderella's Fairy Godmother, Alice in Wonderland's Mad Hatter, and Michael Barron, one of the most talented young illusionists of the moment. The magic is complimented by appearances from Disney Princess Belle (Beauty and the Beast), Snow White and Mickey's pals from Toontown — Minnie Mouse, Donald Duck and Goofy.

"This one-of-a-kind show gives parents and children the power to see magic everywhere" says Kenneth Feld, producer of the Disney Live! shows and producer of the most successful live illusion show of all time, Siegfried & Roy. "We take the public on a fabulous journey with the Disney characters where they will witness world class illusions that will truly take their breath away". .

Famed Illusion Designer Jim Steinmeyer, who has worked with leading magicians David Copperfield, Lance Burton and Siegfried & Roy, brings his more than 20 years of world-class experience to the illusions in the show.

"In every show we do, we try to exceed audiences' expectations", says Director Jerry Bilik. "The stories come to life in a dynamic and colorful show in which the characters and the magnitude of the illusions take the audience to a place far beyond what they would ever imagine". Children in the audience have the opportunity to become part of the show, as they may have the chance to go on stage as magician's helpers for some of the most interesting illusions presented. No matter if they are on stage or in their seats, the audience will be part of a unique experience full of surprises, one of the biggest Disney original productions!

Jasmine din Aladdin sau maturile fermecate care danseaza din Fantasia. Maestrul Magician insusi – Mickey Mouse – va uimi publicul cu trucurile sale de iluzionism, alaturi de Zana cea Buna din povestea Cenusaresei, Palariierul Nebun din Alice in Tara Minunilor, dar si de Michael Barron, unul dintre cei mai talentati tineri iluzionisti ai momentului. Magia va fi completata de prezenta Printesei Belle (Frumoasa si Bestia), alaturi de Alba ca Zapada precum si de prietenii lui Mickey din Toontown: Minnie Mouse, Donald Duck si Goofy.

“Acest spectacol unic poarta parintii si copiii intr-o lume cu adevarat magica” declara Kenneth Feld, producatorul spectacolelor Disney Live! si al celui mai de succes spectacol de iluzionism din toate timpurile, Siegfried & Roy. “Vom conduce publicul intr-o calatorie fabuloasa alaturi de personajele Disney, in care spectatorii vor fi martorii unor impresionante numere de iluzionism ce le vor taia respiratia”. La conceperea numerelor de iluzionism participa celebrul Jim Steinmeyer, renumit pentru colaborarile sale cu cei mai mari iluzionisti ai lumii, David Copperfield, Lance Burton si Siegfried & Roy, cu o experienta in domeniu de peste 20 de ani.

“Cu fiecare noua reprezentatie incercam sa depasim asteptarile publicului”, declara regizorul Jerry Bilik. “Povestile prind viata intr-un spectacol dinamic si plin de culoare, in care personajele si dimensiunea momentelor de iluzionism poarta publicul intr-o lume dincolo de orice imaginatie.” Copiii din sala pot deveni la randul lor personaje ale spectacolului, avand sansa sa urce pe scena si sa fie asistentii magicianului pentru cateva dintre cele mai interesante numere de iluzionism prezentate in cadrul show-ului. Insa indiferent daca sunt pe scena, sau in sala, toti cei prezenti au parte de o experienta inedita si plina de surprize, intr-o superproductie originala marca Disney!
